Ciao Thyme Building

207 Unity St, Bellingham, WA 98225
Flora St. and Unity St.

Help celebrate Bellingham's first major sundial with its beautiful mural. There will be music, entertainment, information about sundials, sundial kits, and a celebration of Solar Noon on the Equinox as seen on this major vertical sundial. [Sasch Stephens](#) spent years putting this project together and in association with [Allied Arts](#) sponsored an international competition that ultimately commissioned [Gretchen Leggitt](#) to paint a beautiful 30' x 60' wall mural incorporating the dial.

Celebrate the "First Shadow" with us!
